Sir:

Allowance of Applicants pending claims is greatly appreciated. However, the Notice Of Allowability dated July 13, 2005 contains an error. There are 47 claims pending in the application. Claim 47 is a dependent claim which depends from allowed claim 30. Also, claim 47 has not been canceled. Thus item 2 should state that the allowed claims are claims 1-47.

In addition, in response to the Notice of Allowability, kindly enter Applicants' comments on the Statement of Reasons for Allowance without prejudice as follows:

Comments on Statement of Reasons for Allowance

It is respectfully submitted that while the specific features and relationships mentioned in the Statement of reasons for allowance are not disclosed or suggested in the prior art, these are not the only reasons for allowance as not all of the claims are applicable to the reasons provided. That is, the Statement refers to subject matter (or language) which is not recited in all of the claims. For example, the method steps listed in the Statement as not being disclosed in the prior art appear to correspond to reworded versions of steps (c), (d) and (e) of claim 1. However, claim 30 does not recite corresponding steps. Therefore the reasons given in the Statement are not applicable to all of the claims (e.g. claims 30-47). The Applicants disagree with all undue limiting remarks in the statement.

In addition, Applicants do not agree with the assertions in the Statement recording what the prior art of record teaches. It should be understood that the allowed subject matter is to only be directed to that subject matter which is specifically recited in the claims. Any remarks in the statement which add to or subtract from the specifically recited subject matter should be disregarded.

Respectfully submitted,

Ralph E. Jocke Reg. No. 31,029
